

Executive MBA Programme Vinod Gupta School of Management, IIT Kharagpur

Benefits & Impact on Your Career

VGSoM's Executive MBA sets you apart and gives you a genuine edge. Whether your goal is to progress within your organization, take on new or global responsibilities, or pursue an entrepreneurial route, the programme will give you the knowledge, insights and confidence to operate successfully anywhere in the world.

How will this programme benefit you?

- Studying while you remain in full-time employment enables you to improve your workplace performance from day one as you apply each new classroom concept with direct relevance to you and your organization.
- The practical business expertise and the new ways of management thinking that you develop at the School change your approach to decision making and give you the ideas, inspiration and contacts to shape your future career.
- You are able to move up in your career quickly and with confidence.
- You can successfully make the transition to general management from a technical or functional role.
- The elective portfolio allows you to specialize in certain subject areas or gain breadth across a range of business and management disciplines.
- You gain entrepreneurial skills to help you develop your own venture, or to implement new and innovative ideas within your organization.
- You are able to build a strong network of personal and professional contacts.

Career Impact

While still in the programme, many Executive MBA students experience increased levels of responsibility and seniority within their roles, but career advancement does not stop there. The skills learnt in the programme give you - our graduates, the ability to change career paths, start a new venture or get promoted within their own organizations. Equipped with a new global outlook, the possibilities are endless in continuing your career trajectory. Also as a part of this programme, you continue to benefit from the School's reputation, recognition and global networks well beyond your time in the programme.
